36 responses

Is there any need to improve teaching -learning process in the college.

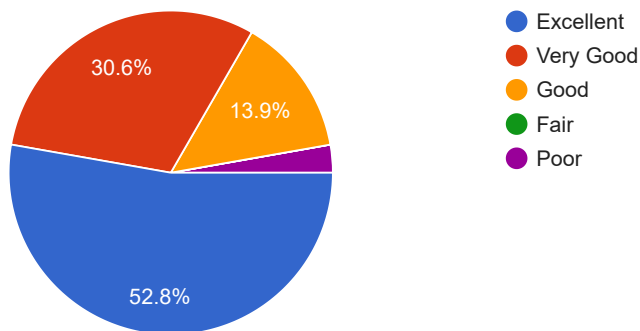

36 responses

Public perception of the Institution.

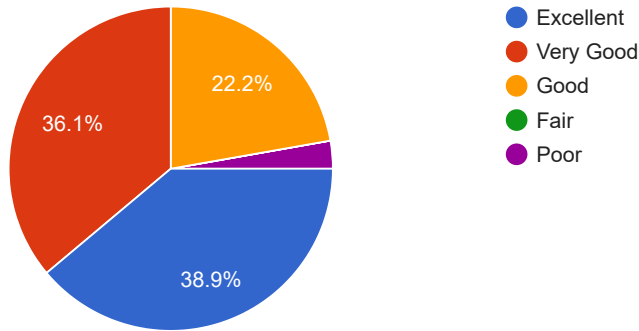

36 responses

How do you rate the learning experience in terms of their relevance to the real life application?

36 responses

Do you have any grievances with the college as an Alumni.

28 responses

No

Nil

Alumni meet must organised regularly

Nothing specific

No grievances, long live GDC Kathua

No

Nope

Bad

Things don not go with time

Nothing

In my days canteen service was so poor. It gets difficult for those students who had to travel a lot eg. students from basohli, billawer &bani.

If you have revisited the College in recent times have you witnessed any significant change in the overall infrastructure/ facilities/ functioning of the College? Please share details.

26 responses

No

Yes, more infrastructure is available now

Creation of smart classroom, enhanced teacher-student interactions even beyond working hour on platforms such as whatsapp, greater adoption of e-services

Yes

A great change in every field.

There is lot of improvement

Yes, being employed in the same college, now all the classrooms & labs are ICT enabled

Infrastructure has increased, many new courses have started, sports facility have increased and college is working excellently.

Haven't been there since very long

Yes, everything is improved now

ICT enabled teaching

Yes newly constructed infrastructure

Construction of New building, Labs

Yes definitely there is drastic change

Bad

Each classroom has been provided with an Interactive Panel Board

Yes infrastructure has been increased but. Not so much as the number of the students

There is a lot of changes in the infrastructure and functioning of the college. Many student get chance to enhance their capabilities and abilities.

Good

More infrastructure development occured, more facilities are there

Not visited

No need

Not recently visited there.

Are you aware of any new initiatives/ development work/ major activities of the College in the session 2021-22. If yes, please share the details.

26 responses

No

Yes

NEP, smart classrooms, interactive flat panel display

Implementation of NEP2020, enhanced functionality of classrooms via installation and commissioning of interactive flat panels.

NEP

Construction of new block, wash room etc

Yes. New Building Block

New building having 8 rooms and two toilet blocks have been constructed in 2021-22,

Class rooms are dilited, skill centres are opened and some research facilities are there.

Many academic and co- curricular activities have been organised during this period

Construction of New Labs

Bad

Research Lab, Innovation and Incubation centres established

Good

More avenues provided to the students

No

Online system and new technology

Any other feedback (about facilities, learning environment, teachers etc.)

27 responses

No

Very good

Teacher are very good

One of the best College in UT

Teachers are best in their class and have shaped future of many including me.

Best college in J&K UT

Very good atmosphere for overall development of the students

Very good learning environment

College is working excellently.

Best college in District Kathua

Focus should be on hygiene and cleanliness rest is ok

Teachers of the College are highly Qualified and dedicated. Teaching Learning environment is very Cordial.

Over all good

Bakar

Teachers are working by providing full cooperation to each other and college administration

All staff well prepared

Timetable should be followed strictly

Our GDC is the best college.

No need

No Feed back

Teaching is excellent there.
