

One week long Anti-Ragging awareness programme organized by Student Grievances Redressal/Anti Ragging Committee, Government Degree College, Kathua.

One week long anti-ragging awareness programme was organized by Government Degree College, Kathua. In this week-long awareness programme which started from 12th August, 2023, Committee organized several activities. On the first Day of the Programme, an anti -ragging awareness Campaign was organized in which more than fifty students participated enthusiastically. Prof. Seema Mir (Principal GDC, Kathua) distributed anti- ragging pictorials among the students to be pasted at various places/ Departments in the College Campus. A poster making competition was organized on second day of the celebration of Anti-Ragging week. The main highlight of the poster making competition was to aware the students about the harmful effects of ragging. In the event, students very beautifully represented their ideas on canvas. Committee has also organized slogan writing and essay writing competitions on third and fourth days of the anti-ragging week. A pledge taking ceremony was also organized by the committee on the very next day. On the consecutive day, a documentary film was also shown to the students for sensitizing them regarding the ill effects of ragging. On the concluding day of the week-long Anti Ragging awareness activities, a lecture was given by Principal Prof. Seema Mir. She elaborated the students about the ragging menace and advised students not to participate in any kind of ragging. She quoted several examples of recent times where students lost their lives due to ragging. She encouraged the students not to get engaged in any kind of ragging and motivated them to take steps to create a safe and ragging free environment in the college campus. She also appreciated the efforts of the Convenor and committee members for very effectively organising the Anti- Ragging awareness week.

Prof. Ritu Bhagat, convenor of Anti Ragging committee formally welcomed all the guests at the start of the event. She also presented report of the week-long activities. She also emphasized on prevention and prohibition of ragging. Certificates were distributed among the winners of various competitions held during the week and participation certificates were also given to the other participants. Proceedings of the event was systematically done by Prof. Neeru Sharma and Prof. Shaveta Saroop.
